

Amendments to and Listing of the Claims:

This listing of claims replaces all prior versions and listings of claims in this application.

1. (Currently Presented) Proofing A sheet of paper comprising:
 - (a) a first blank region for subsequent printing of a content image portion; and
 - (b) a second marginal region outside of the first blank region, the marginal region including having one or more standard color bars pre-printed thereon, and each of the one or more standard color bars having a plurality of color blocks, each color block reflecting a wavelength in the electromagnetic spectrum that represents a color selected from a color space, wherein the blank region and the marginal region constitute the entire surface area of one side of the sheet of paper.
2. (Currently Amended) The ~~proofing sheet of~~ paper of claim 1 wherein the ~~second marginal~~ region further comprises one pre-printed standard color bar, the ~~second marginal~~ region having a blank area adjacent to the pre-printed color bar for subsequent printing of a second color bar.
- 3-9. (Canceled)
10. (New) The sheet of paper of claim 1 wherein the marginal region is a minor region of the sheet of paper and the blank region is a major region of the sheet of paper.
11. (New) The sheet of paper of claim 1 wherein the sheet of paper is proofing paper.
12. (New) A sheet of paper comprising:
 - (a) a marginal region including one or more standard color bars pre-printed thereon, and each of the one or more standard color bars having a plurality of color blocks, each color block reflecting a wavelength in the electromagnetic spectrum that represents a color selected from a color space; and

(b) a blank region outside of the marginal region for subsequent printing of a content image portion, wherein the marginal region and the blank region constitute the entire surface area of one side of the sheet of paper.

13. (New) The sheet of paper of claim 12 wherein the marginal region further comprises one pre-printed standard color bar, the marginal region having a blank area adjacent to the pre-printed color bar for subsequent printing of a second color bar.

14. (New) The sheet of paper of claim 12 wherein the marginal region is a minor region of the sheet of paper and the blank region is a major region of the sheet of paper.

15. (New) The sheet of paper of claim 12 wherein the sheet of paper is proofing paper.
